

Stay Connected with KCKPL

For more information and updates on the library's status, visit www.kckpl.org.

eCommunity

Find thousands of digital ebooks, audiobooks, movies, music, databases, and more, all available 24/7. We've increased checkout limits and added more items.

Holds

Place books and movies on hold through our website to pick up when we resume services.

Library Account

Any expired accounts have been renewed. Due dates have been extended so you will not receive any fines for materials checked out before we closed. Hold on to those items until we resume services.

Recommendations

Follow our social media and our reviews blog for book, movie, and music recommendations.

Online Program Blog

Visit our blog for virtual programs including crafts, STEM, virtual tours, activities for kids, how-to videos, and other things you can do at home.

Live Storytime

Visit our Facebook page for live storytimes in English every weekday and in Spanish three times a week.

Ask A Librarian

Librarians are available on our Facebook page every afternoon to answer your questions and provide resources.

Boosted Wi-Fi

We've boosted Wi-Fi signals so you can access the internet in the parking lot of our buildings.

2020 SUMMER READING PROGRAM

The 2020 Summer Reading Program is going virtual!

What is the program? It will be a fully virtual program running from June 1 - July 31, 2020. Even though it's online this year, you'll still be able to complete activities, earn prizes, and access great programs through our online options.

Who is it for? Summer reading is for people of all ages! The youth summer reading program is for children from birth through those entering their final year of high school. The adult summer reading program is for those after Grade 12 and beyond.

How do I participate? Read and log 20 minutes a day until you have read a total of 10 hours to earn a prize pack and entry into the grand prize drawing. Prizes are available while supplies last. Complete the monthly virtual activities for additional entries into the drawing.

Where do I find more information? Visit www.kckpl.org/summer-reading for information about how to register, participation, activities, and prizes

To participate, visit kckpl.beanstack.com or call 913-295-8250 once the library resumes services.
